

Prayer To Be Lifted Above The War

By Beth Eckert

Lord, I ask you to lift me above the war around me right now. I ask you to elevate my spirit and soul to a place of rest and respite, in your presence. I ask you to remove me from the midst of war into your holy dwelling place. Pour out your Spirit and your truth into my soul right now. Bring me into your presence, for it is with you that I belong.

I want more of you God right now. Remind me why I am here and why I chose you. Be the filter that I see this war through right now. Wash me in the river of living waters and feed me your bread of life right now God. I need you and you alone.
