

## **Prayer To Bind Witchcraft Attack**

By Beth Eckert

**Lord Jesus, the True and Living Son of God, who came in the flesh and was crucified for the sins of the world, I give you my heart, body, mind, and soul. Please align every part of me with the Spirit of God Most High. On behalf of myself and my family, I repent of the sins of idolatry, sorcery, jealousy, strife, fits of anger, dissension, division, and rebellion against you God. You alone are my God, and I will have no other Gods before me.**

**In the name of Jesus, I break the power of all witchcraft, spells, incantations, hexes, curses, and voodoo coming against me, my family, my ministry, and my spiritual gifts. I bind every servant of the kingdom of darkness released through these words and rituals and command them to the feet of Jesus Christ.**

**May every weapon formed against me be disarmed and its power rendered null and void. May every assignment against me, my family, and ministry be canceled in the name of Jesus Christ, with no transference of power. I bind every spirit of retaliation, revenge, punishment, and backlash from coming against me, my family, and ministry and command them to the feet of Jesus Christ.**

**I renounce all ties to witchcraft, Satanism, Luciferianism, the Illuminati, Free Masonry, (list any other groups you have ties to), and to Lucifer himself. I forgive myself for any participation with these and commend my soul and spirit to the Lord Jesus Christ and no other spirit. I pledge myself and my life to serve only Jesus Christ, and no other gods.**

**I ask Jesus to remove all human spirits and cloak every portal that human spirits use to access my being until it can be removed. I ask that God put my armor on and cleanse me with His blood, and be the barrier between the kingdom of darkness and myself. I ask that Jesus bless every person coming against me or my family and ministry right now, engulfing them in His love and truth.**

**Holy Spirit, please fill every part of my being with your truth and love. I trust you, God, to be my protector, provider, and Father, in every area of my life. I pray all of this in Jesus' name. Amen.**
